

Signing In

Open a modern web browser and in the browser address bar type in the URL for the Scoreboard environment you have been provided for your organization, then hit Enter and you will be presented with a Scoreboard login screen as shown below...

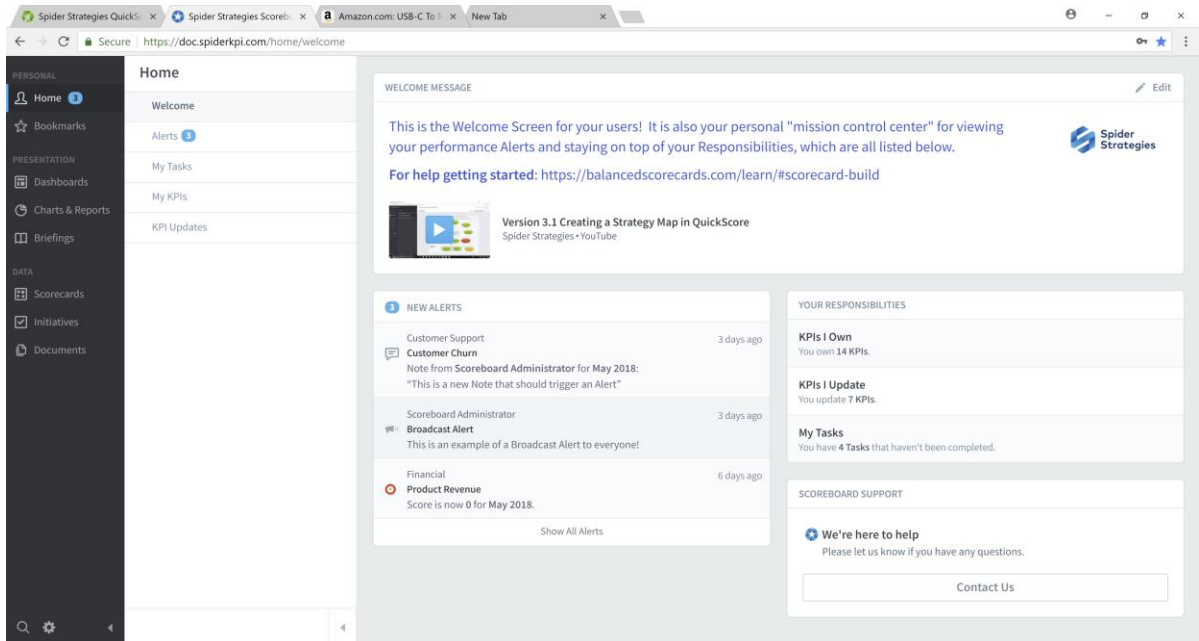

The image shows a login interface for the Scoreboard environment. At the top center is a circular logo containing a white star on a blue background. Below this is a white rectangular login form with a yellow background. The form consists of three input fields stacked vertically: a text field containing the word 'user', a password field represented by six black dots, and a dropdown menu currently showing 'SB 3.2 Documentation'. At the bottom of the form is a prominent blue button with the text 'Log In' in white.

- Enter your **Username** and **Password** and, if necessary, use the dropdown list to select the appropriate server/environment you want to log into, then click the blue **Log In** button
- Note: You may be asked to change your password after logging in for the first time

Welcome Screen/Home Page

On entry to Scoreboard you will see your personal Home Page. To the left are navigation panes and to the right is a workspace with some information about your activities, tasks and measures, giving you a strong starting point for the use of Scoreboard.

Your Scoreboard trial system has been populated with some **Mobileworld, Inc** sample applications and data including:

- Scorecards
- Strategy Maps
- Dashboards
- Initiatives
- Reports and Charts
- Briefings

Refer to the specific User Guides for each distinct section/module of Scoreboard to learn how to use each of them.
